Smoky Cashmere

A color that imbues luxury, comfort and contentment, Smoky Cashmere is set to caress products throughout the year. It can be as demure or mischievous as you wish, but at all times wraps an aura of richness around whatever it touches.

It is the evolution of warm, brown-influenced grey and creates at once, a hue that is intriguing and new, and one that effortlessly coordinates with others. Expect to see its softer side with pale pink or quiet blue, edginess with red or earthiness with copper metallic or amphibious green.
