Bahamas

Take a break to an island escape; “Bahamas” conjures natural beauty with a modern edge. As fresh as a tropical cocktail, as comforting as a spa and as light as a summer frock, this hue can take on nature as well as a swizzle stick. It is confident and moves easily from home accessories to fashion accessories providing just the right amount of cool color.

From pens, to drinks, shoes to bags and, even, some places to sit, a touch of “Bahamas” can whisk you away from the everyday.
